For Immediate Release
Georgetown, Kentucky

DROPBOX OPEN FOR BUSINESS

After months of planning, the Georgetown Scott County Revenue Commission has installed our first ever 24/7 Dropbox.

It is our goal to remove barriers to local occupational license tax compliance.

We listened to your suggestions, and you may now drop off paperwork whenever it is convenient for you. You don't even have to leave your vehicle.

Walk up or drive-up access to the Dropbox is now available in Georgetown, located in the parking lot of our office at 1000 West Main Street, Suite 8.
